proper advice.

That is what we do. Cruise & Associates is a trusted and respected Nebraska based accounting and consulting firm that works with small to mid-sized businesses. Our goal is to make sure your business is working for you and not against you.

In accordance with IRS Circular 230 Disclosure, and to ensure compliance with requirements imposed by the US Internal Revenue Service, we inform you that any tax advice contained in this material was not intended or written to be used, and cannot be used, by any taxpayer for the purpose of (1) avoiding tax-related penalties under the US Internal Revenue Code or (2) promoting, marketing or recommending to another party any tax-related matters addressed herein.

out of 10 new businesses fail within the first five years. In fact, a bankruptcy judge once said 75 percent of business bankruptcies could have been prevented if a business owner kept proper records and received

Customized Solutions:

The help you are looking for from an accounting firm may not always fit into a standard box of accounting services. Cruise & Associates understands that and will customize services to meet your specific needs.

Remote Controller:

Growing businesses often reach a point where they need professional financial advice but can't afford a full-time CFO or controller.

If you're fortunate enough to be in this position, we have the perfect solution for you. Our Remote Controller service gives you a professional financial manager who works with you to help guide your business to success. The cost of hiring a full-time CFO can range from \$50,000 to \$100,000 plus. This service provides the experience you need at a fraction of that cost.

Accounting Services:

Business owners have more important things to do than keep your own books. Let Cruise & Associates be your part-time, off-site accountant and bookkeeper. This will free up your time to focus on running your business and generating profits. On a monthly basis, we'll reconcile your bank account, generate an income statement & balance sheet, provide unlimited consulting, payroll services and a lot more. As a business owner, you can place confidence in us to form a

sold foundation for your business accounting system.

Rent-A-Controller Services:

Pass it on and be certain it is taken care of.

Our ultimate in services! In addition to all our Accounting & Payroll Services, we include Accounts Payable and Receivable.

Payroll Services:

Paying employees, payroll laws and the IRS have made payroll nightmare for the business owner.

Small business owners spend an average of 12 full days a year just doing their payroll. That time could be spent generating sales, prospecting new business opportunities, improving products or services, or servicing customers.
